IHP is proud to announce the promotion of Christian Clark to Vice President of Corporate Development.

St. Petersburg, FL, April 1, 2009 - Christian Clark has been promoted from Executive Director of Business Development to Vice President of Corporate Development.

Christian Clark has been with Integrated Health Plan, Inc. for 7 years. In his current position, he is responsible for oversight and direction of all corporate sales, marketing, product development and account management initiatives. Christian has held prior management positions in the areas of business development, network development and clinical management, and was responsible for developing one of the largest Independent Physician Associations in the State of New York.

About Integrated Health Plan, Inc.

Integrated Health Plan (IHP) is one of the nation's oldest and largest PPO networks with more than 680,000 non-duplicate participating providers. IHP offers its clients substantial savings on medical expenditures via use of its comprehensive credentialed provider network, claim negotiations, and medical bill audit services. IHP offers its health care providers an opportunity for increased utilization, prompt payment of claims, simplified administrative procedures and a very competitive reimbursement arrangement. IHP continues to offer its clients and providers unsurpassed, personalized customer service.
